Rowdy Bush

Petite Sirah, Lodi

A deep, rich almost purple color, this is a wonderful example of a Lodi Petite Sirah: Showy aromas of blackberry, toffee and plum introduce you to a generous, jammy mid-palate of cherry, mocha and cracked black pepper flavors, complemented by black tea and toasty caramel notes, from aging in premium French oak barrels.

Structure is the name of the game here: the lush texture and integrated tannins lead to a long, unabashed finish of fig, dark fruit and licorice.

Drinking great right now, we recommend pairing this big Lodi Petite Sirah with beef stew, eggplant lasagne or a hefty grilled Swiss cheese sandwich.
